WHAT IS AMERICA?

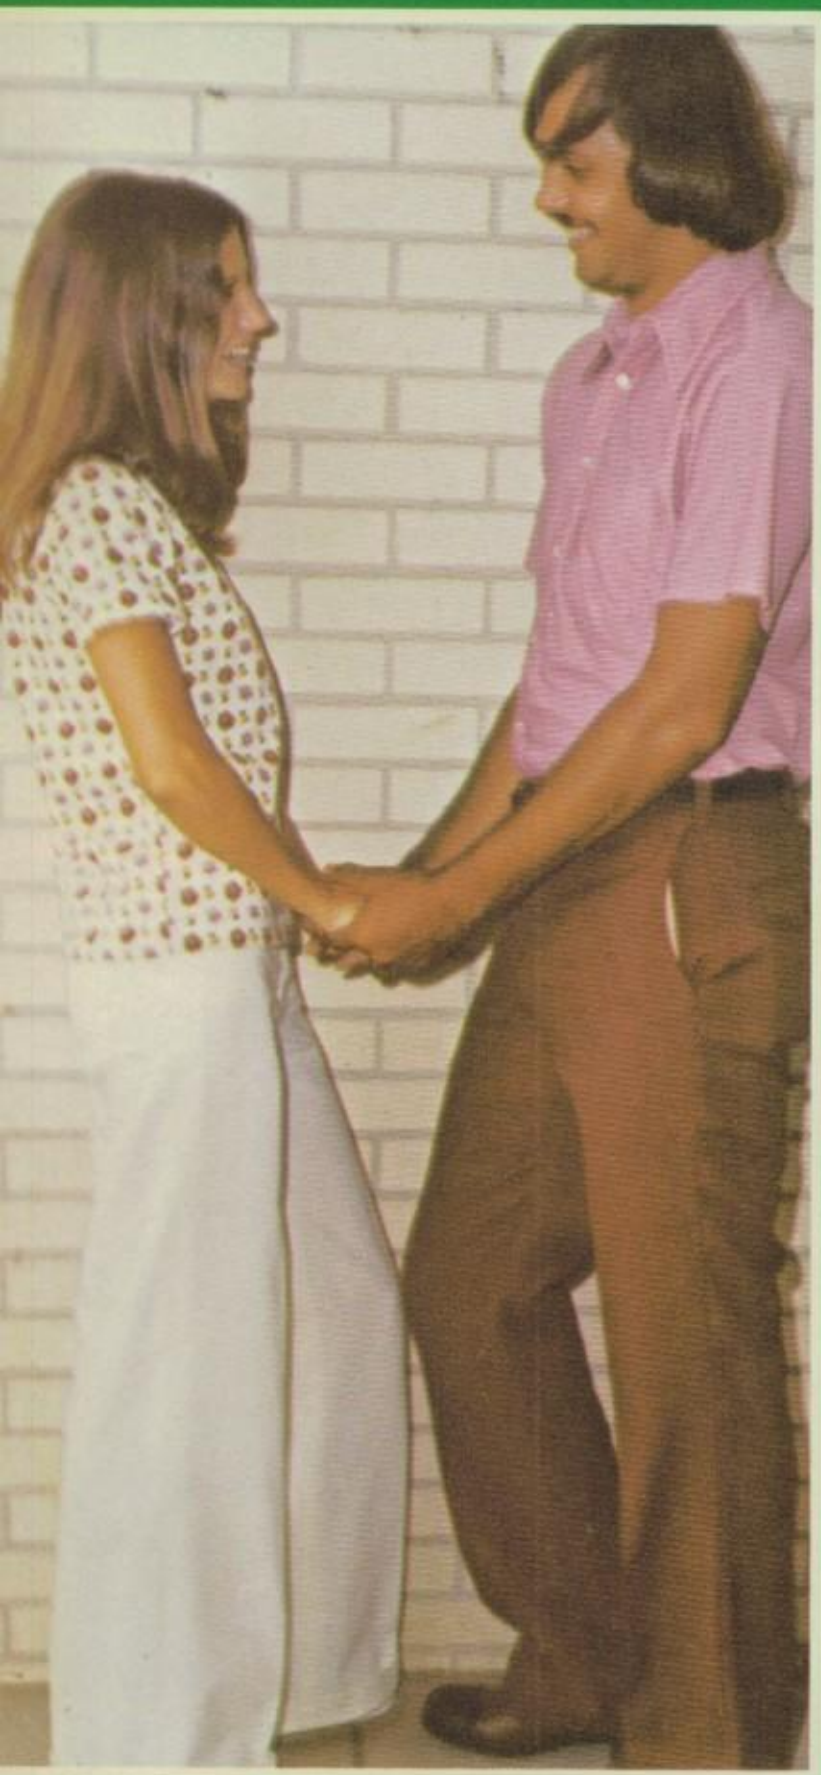

America is many things. America is the freedom our forefathers died for. America is the love that gives rise to great acts of patriotism, and the foundation on which we stand.

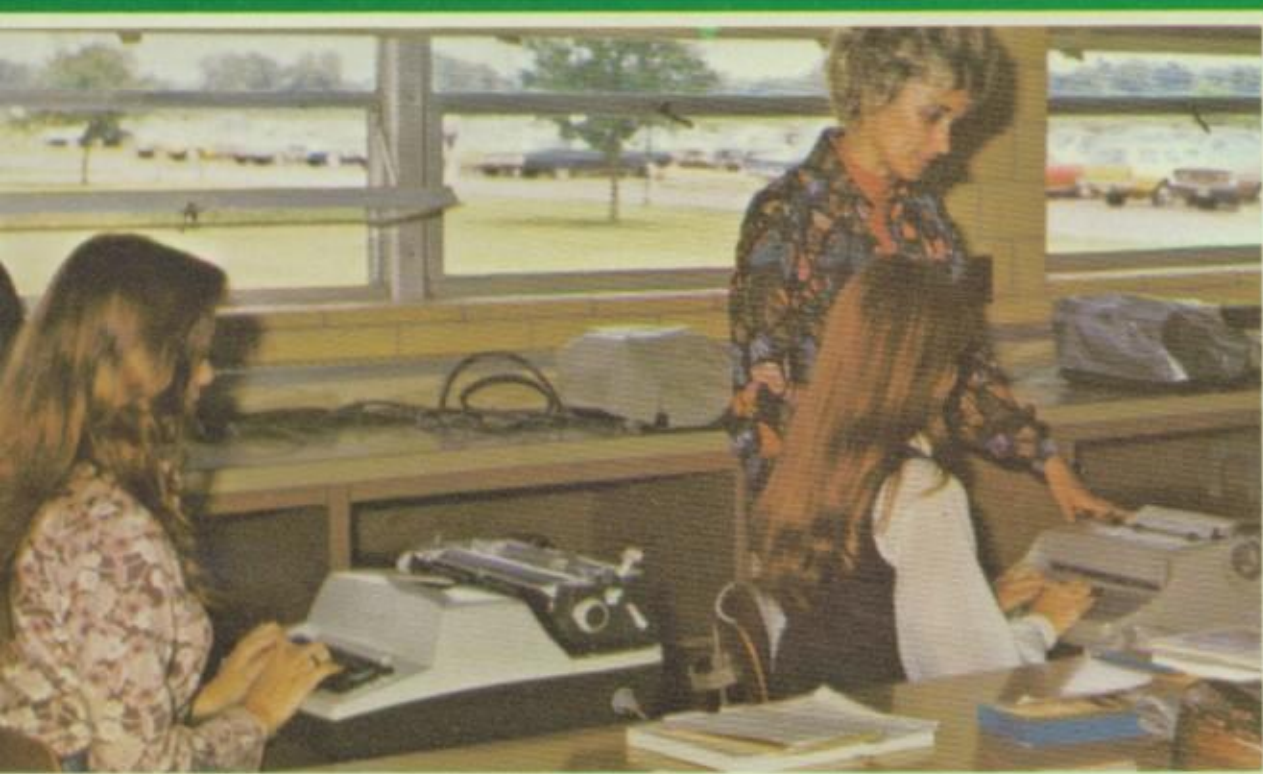

America is challenges; the challenges of entering high school, of making friends, and then of passing on to new challenges. America is the spirit of the Vikings as they take the field and the excitement another victory brings. America is caring about friends and knowing the responsibilities we face. America is also the hope and pride that drives us on when life becomes difficult; the hope and pride that built America. America is many things, but most important America is you.

Academics

English

English was a necessary part of everyday life. Proper use of the English language helped in more effective communication with friends and business acquaintances. English consisted of both grammar and literature. The study of grammar helped the student to write and speak in a more efficient manner. Literature was the door to life in the past, and life-styles in foreign countries. The study of English was important in any occupation, because proper communication is of benefit to everyone.

Freshmen and Sophomores at Airline received instruction in the fundamental rules of grammar and literature. Juniors and Seniors were offered a wide variety of courses, ranging from Business English, for students interested in vocational training, to English Literature and Research and Composition for college bound students.

OPPOSITE PAGE TOP LEFT: Mr. Clements had some time to himself to think. TOP RIGHT: Mrs. Boose read to the class from the Literature book. BOTTOM: Mrs. Walden's class listened to Medieval Tales.

Mathematics

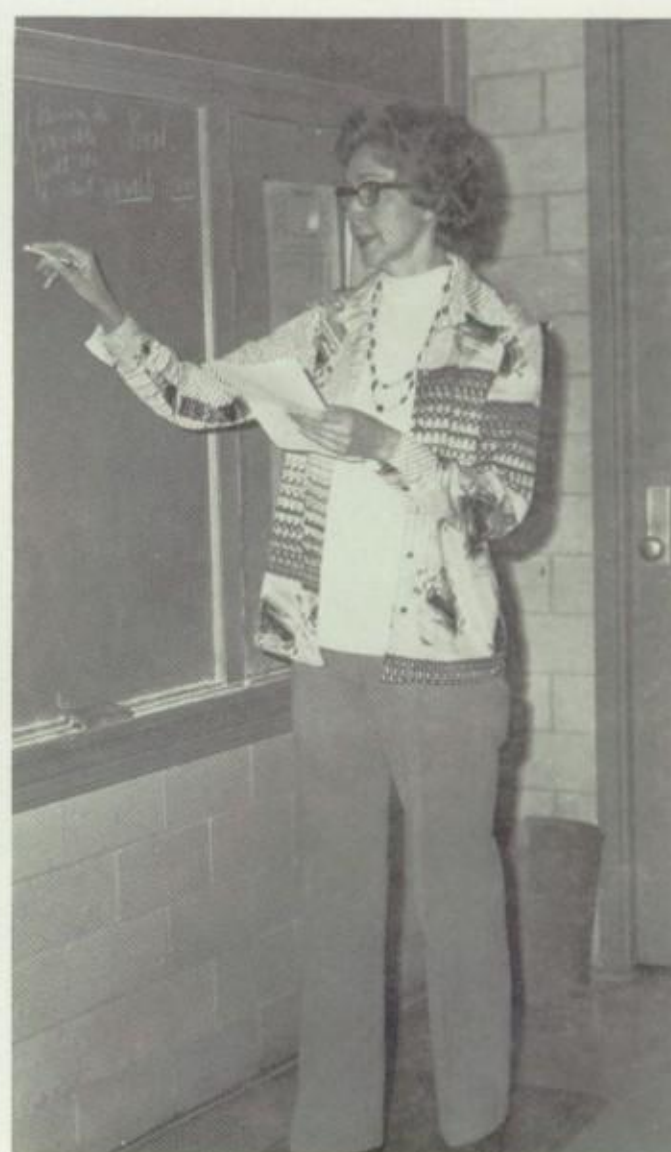

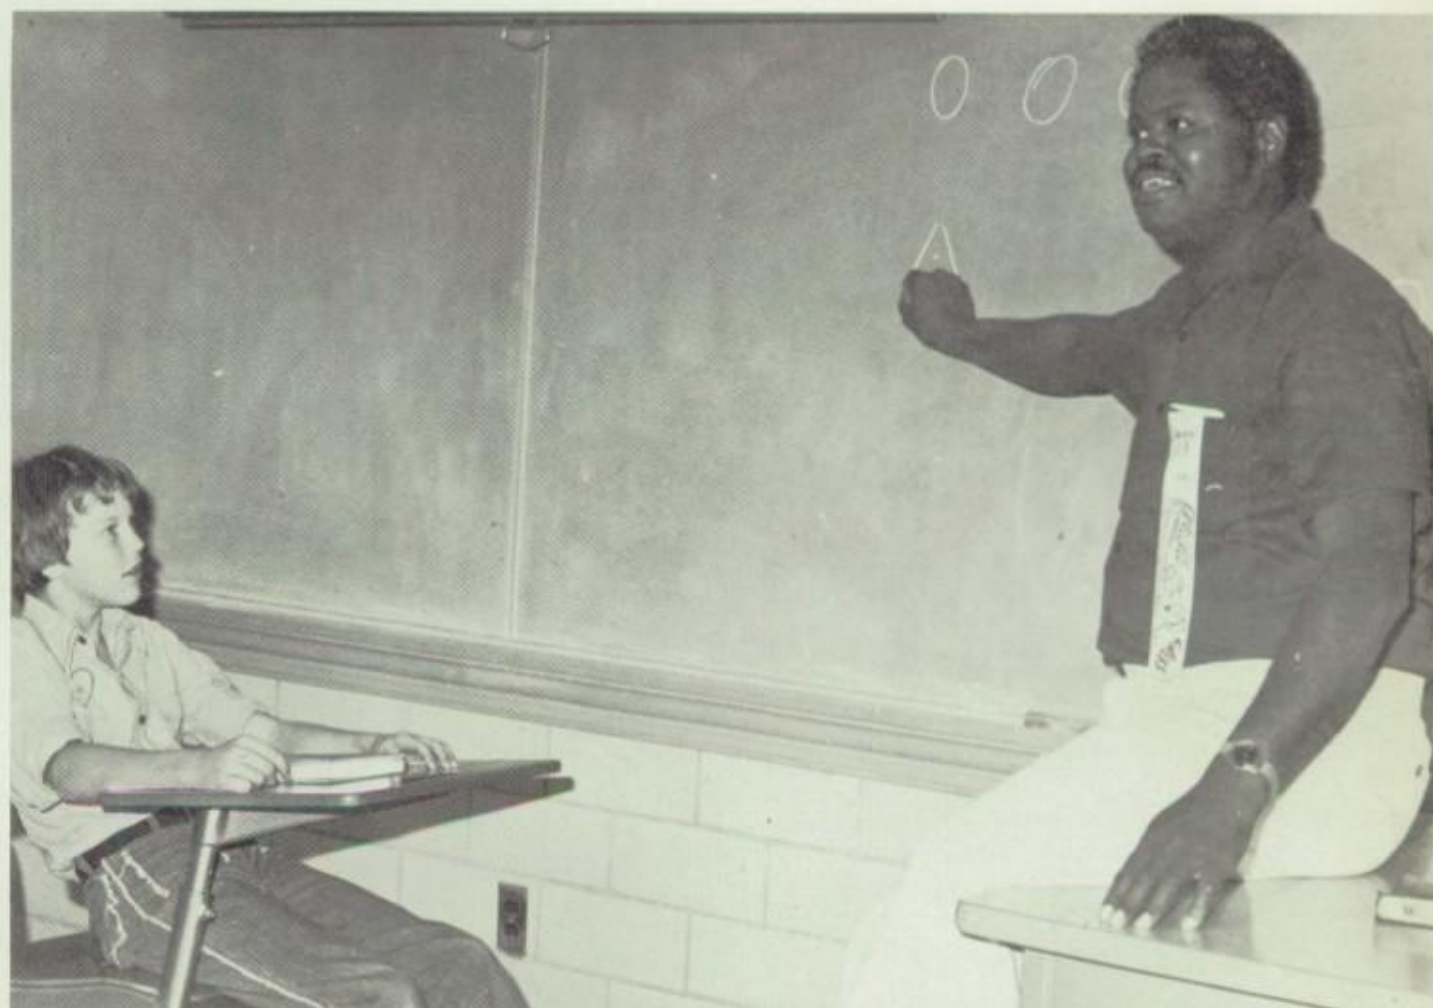

In our technological society, mathematics played an important role. Mathematics involved working with logic and organized thoughts, both of which were important in any occupation or situation. For college bound students, high school mathematics taught the fundamentals necessary to progress to higher mathematics, and for those students interested in vocational training, mathematics developed logical reasoning and skills necessary for everyday life. Regardless of the student's future plans, mathematics was a necessary part.

Airline's mathematics department offered courses suited for every student's needs. General math, business math, Algebra I, and geometry were courses designed for students interested in vocational training or college. MIDDLE RIGHT: Mr. Lee explained one-to-one correspondence to his students. BOTTOM LEFT: Jeff Marler was questioned by Mr. Chisum. BOTTOM RIGHT: Mrs. Cox explained a simple algebraic problem.

Science

Science was the tool with which our modern society was built. Science developed the student's understanding of himself and the world around him, and with this understanding the student was better prepared for life in a constantly advancing society. Since many of the changes in today's world were the result of Science, Science was an important field of study at Airline. Regardless of the student's future plans, Science has provided a useful and necessary background.

Airline's Science department offered a wide range of courses. Biology I and Biology II were of interest for students concerned about life and its relation to the environment. Students interested in what the universe was made of and the laws that govern it have found Chemistry I, Chemistry II, and Physics very useful. Science had something for everyone.

Everything that occurred today is a result of history, and by studying history the future can be improved. Social Studies helped to develop the interest in America's history and government that should be revived in our Bicentennial year.

Airline's Social Studies department offered courses for a wide variety of interests. For students interested in learning about the world and its resources, there was World Geography. Students interested in the past could study American History or World History and those students who wanted to learn about America's government and businesses could study Civics, American Government, and Economics.

Participation in the Choir and the Band was open to all students. Both groups worked long hours to provide entertainment for the student body.

Airline's Art department offered four art courses: Art I, II, III, and IV.

Art was an excellent method of self-expression and a means of developing hidden talents. Airline's Industrial Arts department provided a wide range of courses for all students. Students interested in architecture and engineering found Mechanical Drawing I and II, and Architectural Drawing of immense help in their careers. Electronics I and II, and Woodwork I and II were interesting courses for all students, especially those students interested in a vocational career. Airline's Home Economics department expanded its curriculum in order to interest male students, many who are unprepared for life on their own.

Airline's Home Economics department offered a wide range of courses concerning every aspect of independent life. Blue Wave

The Blue Wave was the name chosen for Airline's first dance team. The thirty-four girls were sophomores, juniors, and seniors with at least a "C" average. Miss Murphy had the job of organizing the Blue Wave in its initial year.

The members of the Blue Wave were required to practice many hours to provide entertainment at football and basketball games. Not only did the Blue Wave entertain at sports events, but they also provided spirit and backing for all of Airline's athletic teams. The Blue Wave has been a great addition to the organizations at Airline.

The Airline Band

The Airline Band completed its first year under the leadership of Mr. Eddie Williams. During his first year at Airline many outstanding changes were made in the band program. Mr. Prince Barfield served as assistant director and was in charge of the new private lesson program.

The band was always at pep rallies, football games, and many other special school functions. During football season the band could be seen practicing every morning to perfect their show for that week's football game. The band marched in many parades and also participated in the district marching contest where they made superiors in both inspection and marching.

The newly formed Jazz Ensemble kept very busy performing at Lion's Club meetings, giving school concerts, and participating in festivals including the Loyola Jazz festival.

The Airline Band spent seven days in Colorado for their spring trip. They performed at the United States Air Force Academy and several smaller bases along the way.

Cadets Prepared for Tomorrow

ROTC

The Air Force Junior ROTC Aerospace and Leadership Education curriculum is based upon the integration of five themes: Aviation, National Defense, Careers, Space, and Leadership. These themes are interwoven throughout three of the four years in High School. Each year's content is normally divided between Aerospace Education and Leadership Education (On a 60/40 basis). The mission of the cadet corps is to provide a vehicle for the application of leadership techniques and for developing an understanding of the military command structure, the need for discipline, and a knowledge of military drill and ceremonies. Activities associated with the corps include the Drill Team, Military Ball, Fund Raising Activities, and field trips to local bases, airports, and industries.

Athletics

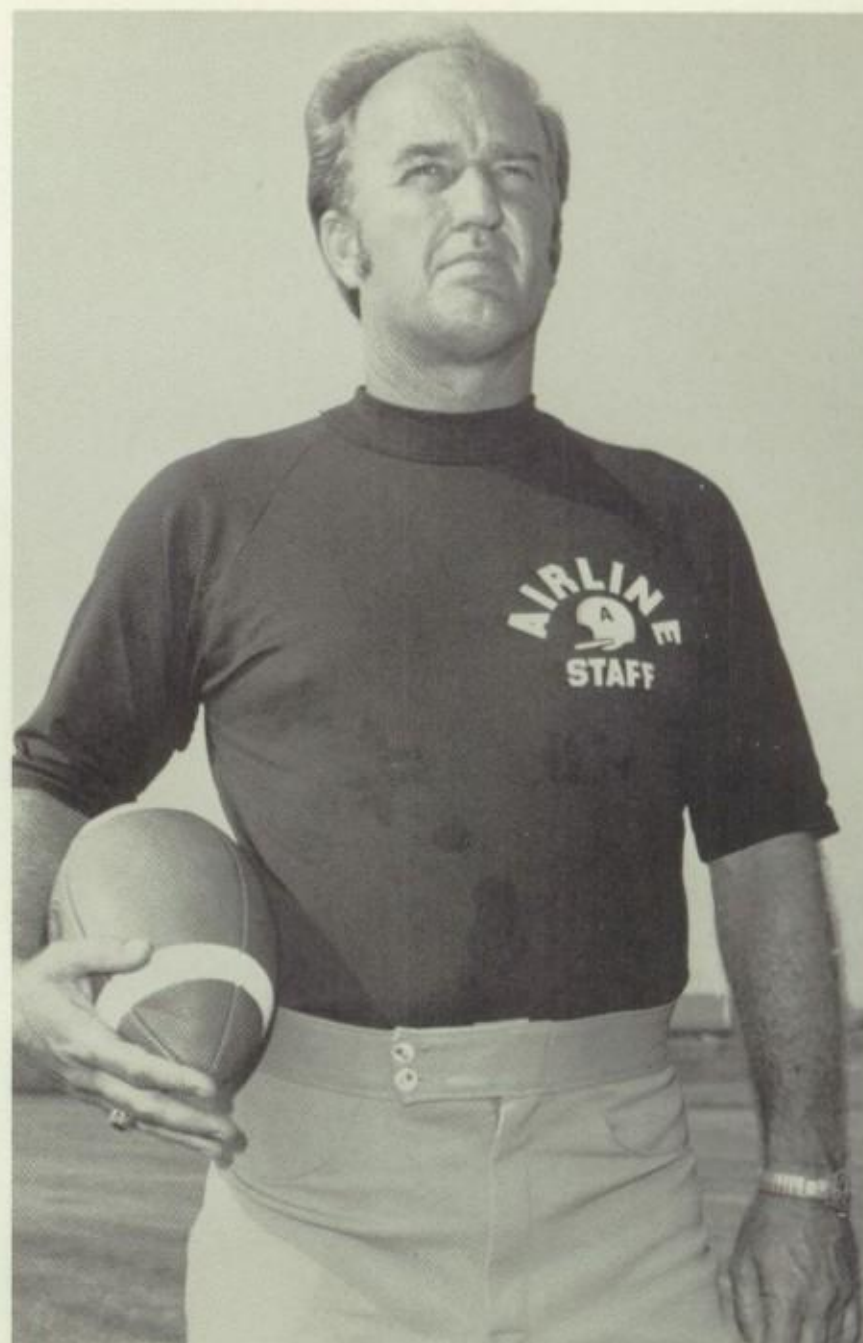

Football 1975

When the 1975 season opened, Airline looked forward to what promised to be an excellent season. This hope, however, was to be shattered by a rash of serious injuries to various key personnel. Injuries that led, finally, to a 4-6 season. But, the Vikings were able to play many people and to give invaluable experience to numerous younger players.

Airline started out strong, averaging 14 points a game throughout the season. In their opening game, they downed a tough Jesuit team 14-0. Then they left town for Springhill and were shaken by a 22-0 loss. Coming right back, they had an impressive 40-12 victory over Minden, and then Natchitoches fell to Airline 28-6. But, Airline could not shake the homecoming jinx and was defeated 27-0 by Woodlawn. In the highlight game of the season, they were stopped by Bossier 22-14. Next, Airline slipped past Parkway 23-22, but, in a muddy contest with Southwood, was defeated 19-7. Captain Shreve also proved to be a disappointment for the Vikes. For the final and most surprising game of the season, Green Oaks won out over Airline by 12-9.

Airline finished their season with a third place in District 2-AAAA. They also had a large number of Sophomore and Junior lettermen, creating expectations of a very strong and experienced team for the promising 1976 season ahead.

Vikes Ground Flyers

Airline opened the 1975 season with an impressive victory over Jesuit 14-0.

The game started out looking to be somewhat of a defensive battle with no one scoring until Kent Ford took a screen pass from Scott Adams 30 yards for the first score of the game with 2:28 left in the first half.

Airline came out of the dressing room after the half and wasted no time in adding some insurance points to their lead when Scott Adams hit Jerry Greer on a 13 yard slant-in touchdown pass midway in the third quarter. Ricky Ray then kicked his second extra point of the night.

This game belonged to the tough Viking defense which held the Flyers to only 64 yards total offense.

TOP RIGHT: Jerry Lechman came to help Leon Strange bring down the Jesuit fullback. MIDDLE RIGHT: Monroe Bell was finally stopped after he ran for the first down. RIGHT: Scott Adams looked for an open receiver. LEFT: Joey Telano watched as Jesuit was stopped for no gain. BOTTOM RIGHT: Vikings gang-tackled a Flyer runner.

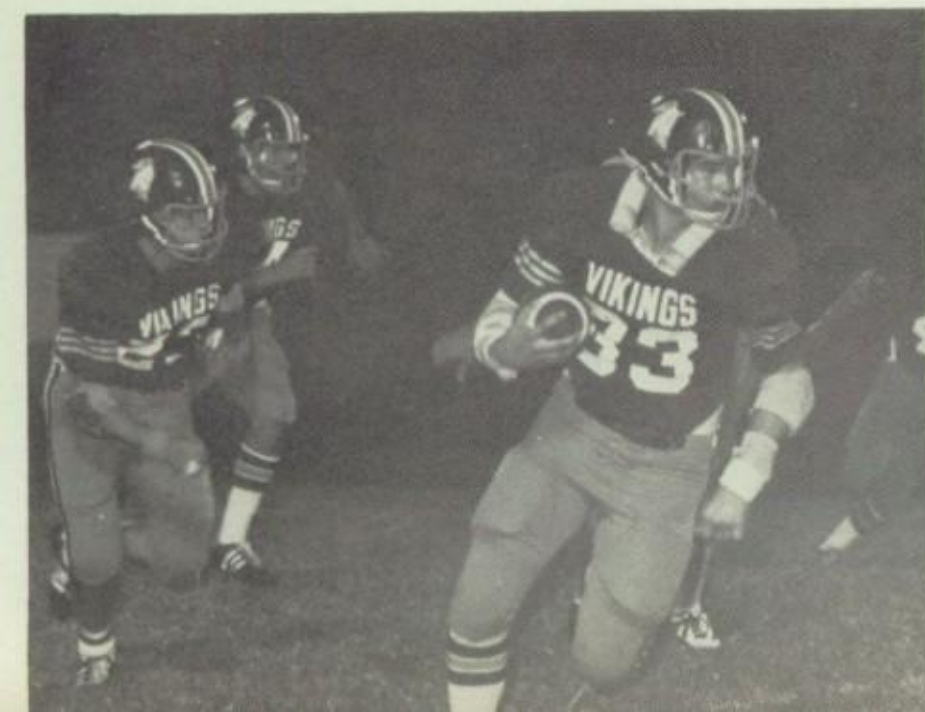

Lumberjacks Chop Airline

The Springhill Lumberjacks used a swarming defense and a tough offense to shut out Airline 22-0 at the Jack's Stadium.

Airline played tough defense throughout the first half until late in the second quarter when Springhill scored on a 22-yard run sending them to the dressing room with a 7-0 lead over the Vikes.

Springhill could do no wrong capitalizing on all of Airline's mistakes, getting a safety and 2 short touchdowns, and sending the Vikings home with a 1-1 record.

TOP LEFT: Jeff Huffman powered through several Lumberjacks. MIDDLE LEFT: One 'Jack wasn't enough to bring down the tough Vikings. RIGHT: Jeff Huffman made it rough on the Vike's opponents. BOTTOM LEFT: Tom Bass, helped by two other Vikings, ran back a stolen pass.

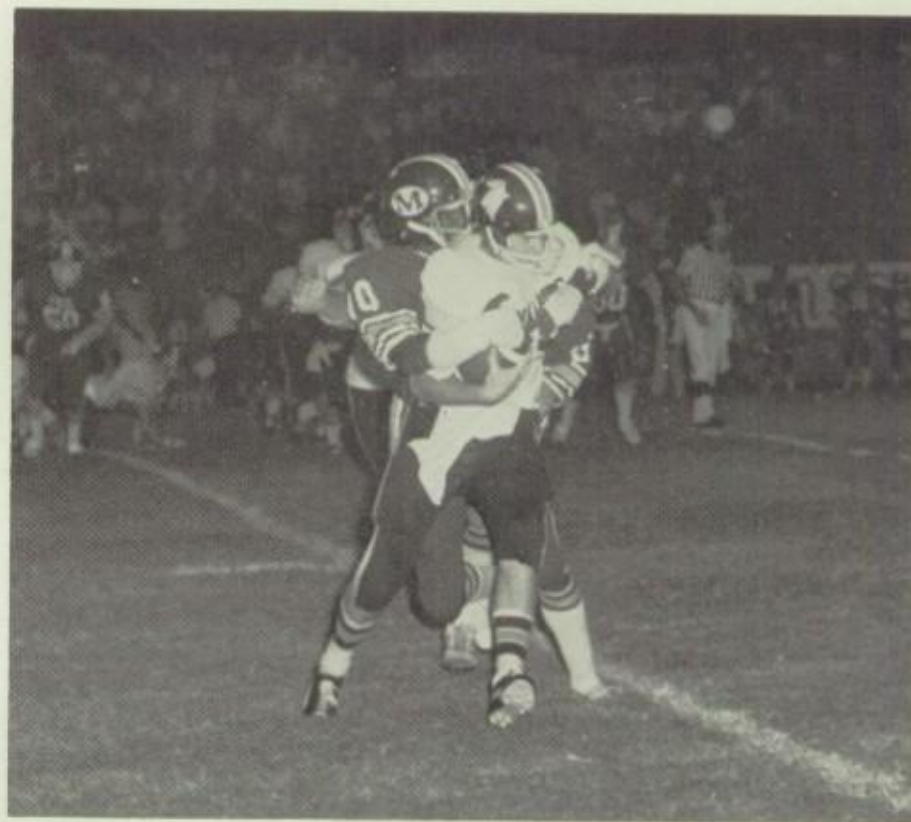

Vikes Flatten Tide

The Vikings came off a 22-0 loss to Springhill to blast Minden 40-12 in the district opener at Airline Stadium.

Monroe Bell opened the scoring for the Norsemen on a 52-yard run and moments later Kent Ford took a punt 64 yards for another score. John Dehart picked up a Minden fumble and raced 39 yards for Airline's third touchdown of the first half. Minden closed the first half scoring on a short run and went to the dressing room down 20-6.

Airline's momentum carried into the second half when Richard Cox threw 33 yards to Jerry Greer for the Vikes' 4th touchdown, and Jeff Huffman scored on a 5-yard run. Dwayne Slack recovered a fumble in the Tide's end zone for Airline's last score. Ricky Ray hit on 4 of 6 PAT's for the night.

TOP RIGHT: Vikings turned out on top — again. MIDDLE RIGHT: Richard Cox was tackled by a Minden defender. LEFT: Joey Telano made a leaping catch in front of two Minden players. BOTTOM: Kent Ford headed for the goal on a long run.

Airline Downs Chiefs

Using a very stingy defense that limited the Chiefs to 55 yards on the ground, the Vikes rolled up a 28-6 victory over Natchitoches at Airline's stadium.

Kent Ford opened the scoring on an 85 yard punt return with 5:49 gone in the first quarter.

Jeff Huffman's one yard run and Richard Cox's 44 yard pass to Joey Telano upped the Viking's margin to three TD's midway in the third quarter. Richard Cox ran 12 yards to close out the scoring.

Besides holding the Chief's ground game in check, the Vikes picked off two passes and recovered all three of the Chief's fumbles.

MIDDLE LEFT: Richard Cox outran two Natchitoches pursuers. RIGHT: Monroe's yards gained were added to by a penalty against the Chiefs. BOTTOM, LEFT: Jerry Greer and Allen Kelly joined together to bring down a Natchitoches runner.

Knights Spear Airline

Airline fans were treated to a gloomy homecoming for the third year in a row. The Woodlawn Knights came out strong to down the Vikes 27-0 and break a six year winning streak by the Vikings over Woodlawn.

Airline's only scoring chance came when a Woodlawn punt play was broken and the punter attempted to pass. His pass fell incomplete and Airline was given the ball on Woodlawn's 9 yard line, but three runs and an incomplete pass later, the Vikes still had not scored and the ball was turned back over to the Knights. Offensively the Vikes were plagued with mistakes, with Cox completing only one of twelve passes and the total yards rushing being only seventy.

TOP RIGHT: Richard Cox ran over many would-be tacklers. MIDDLE RIGHT: Monroe led the way for Kent Ford. LEFT: Monroe Bell was stopped after a long gain. BOTTOM RIGHT: Richard Cox gained valuable yardage for the Vikes.

Kats Swat Vikes

In the 12th meeting of Airline and arch rival Bossier, Bossier came out on top in a hard fought battle at Airline's stadium by a score of 22-14.

Bossier drew first blood on a long bomb early in the first quarter. Airline came back strong, driving down the field, and scored on an 18 yard pass from Richard Cox to Jerry Greer. Bossier couldn't get back in the game until early in the second quarter after an interception which set up their second score. They then scored again late in the second period going into the dressing room with a 22-7 half-time lead.

The Vikes, playing more inspired football in the second half, took advantage of a high snap and recovered it on the Bearkat 3. Richard Cox then threw to Sammy Knaub for the touchdown. That, however, was all the momentum Airline could generate and the Vikings fell to a 3-3 overall season record, with a 2-1 record in district play.

TOP: Richard Cox was stopped by several Bossier defenders. MIDDLE: Vikings awaited the raising of the flag and the tossing of the coin. BOTTOM: Jerry Greer and Scott Adams added on extra points.

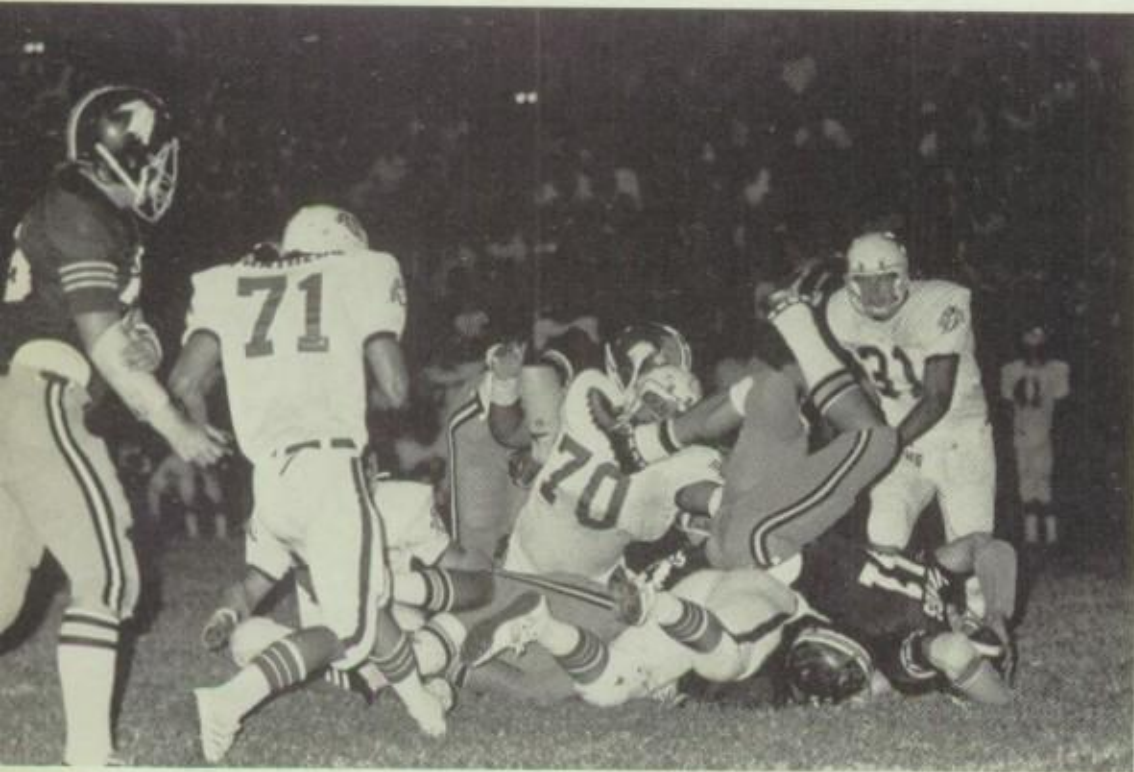

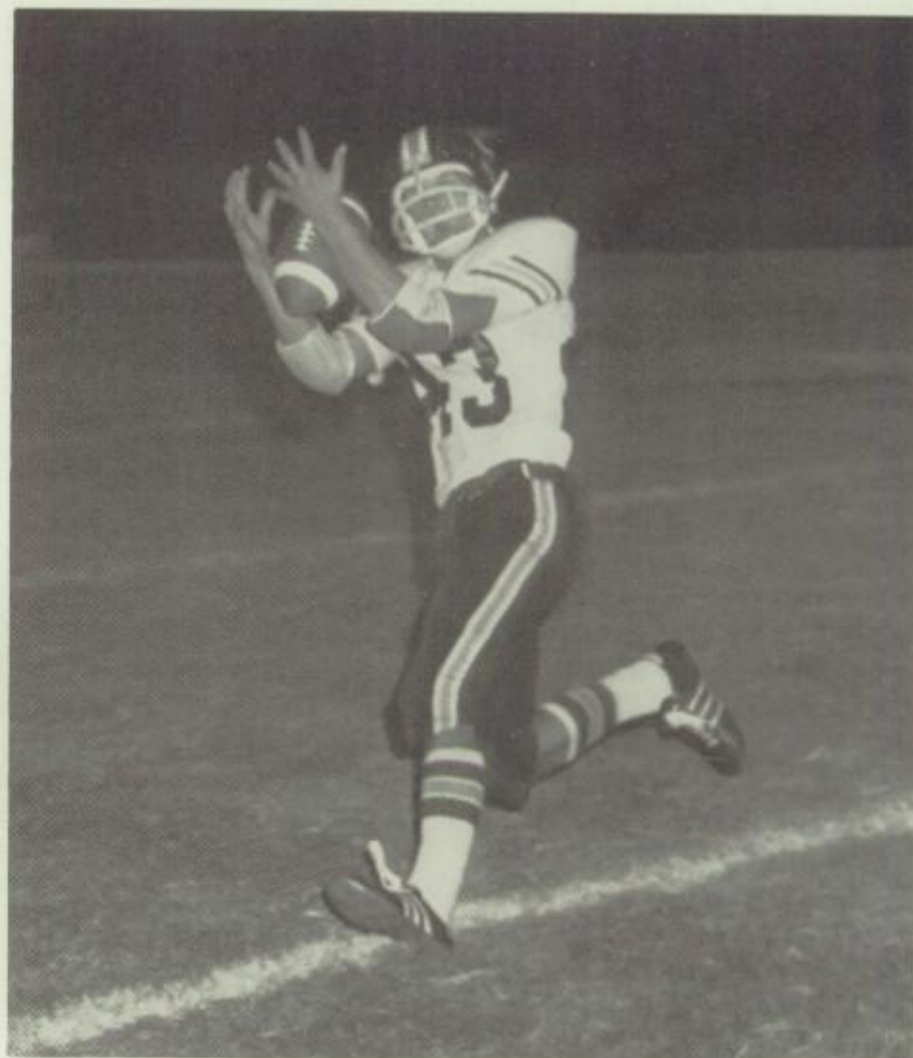

Vikes Trip Parkway

The Vikes got a crucial win to get them back in the district race by chalking up a 23-22 victory over Parkway. The winning point came on a Ricky Ray 27-yard field goal.

After both teams exchanged punts, the Vikings started the first sustained drive of the night. Richard Cox scrambled four yards for the game's first first down, then on third down, he passed to Jerry Greer for nine yards and another first. Monroe Bell then moved the ball into Panther territory. The Vikes took 10 more plays to score with Jeff Huffman going over from the one on fourth down. Ricky Ray added the PAT.

Parkway came back and capped a 59 yard drive for their score. The Panthers threatened again late in the first half, but alert Buddy Taylor picked off a Parkway pass in the end zone. Airline went to the dressing room trailing 8-7 at the half.

Airline came back the second half, after Ray's field goal, and scored on a pass from Cox to Ray. This upped the score to 16-8. Parkway then scored, making it a 16-14 ball game. Jeff Huffman scored on a 33 yard scamper after Airline recovered a Panther fumble. Parkway scored late in the game making it 23-22, with Airline coming away with a 3-1 record in district play.

TOP RIGHT: Vikings' stingy defense awaited the snap. MIDDLE RIGHT: Receiver Jerry Greer pulled in another pass in the open. LEFT: Jeff Huffman gained tough yards the hard way. BOTTOM RIGHT: Huffman wouldn't give up.

Cowboys Drown Vikes

The Vikings fell to mistakes and a torrential downpour, coming up on the short end of a 19-7 game with the Southwood Cowboys at the State Fair Stadium.

Faced with a fourth and 8 at the Viking 34, and trailing 7-0, Scott Adams attempted a sneak pass from a punt formation. The pass fell incomplete and Southwood later scored, heading to the dressing room at halftime with a 13-0 lead.

After the break, Southwood came out and scored again, making the score 19-0. The Vikings came to life momentarily when a Southwood player fumbled an Adam's punt and Kent Ford recovered on the Cowboy's three. One play later, Richard Cox, under a strong pass rush from three Cowboy linemen, passed to Jeff Huffman, standing unnoticed in a crowd of defenders in the end zone. Ricky Ray added the PAT. The score came with three seconds left in the 3rd period. Soon afterwards, a blinding downpour erupted and turned the game into a mudbath, washing away any hopes of an Airline comeback.

The Vike's lone bright spot of the night was Monroe Bell who carried 31 times for 130 yards, with 67 of them in the first half.

TOP: Vikes closed in on Southwood's running attack. MIDDLE: John Dehart stopped a Southwood first down. BOTTOM: Airline won the toss and elected to receive.

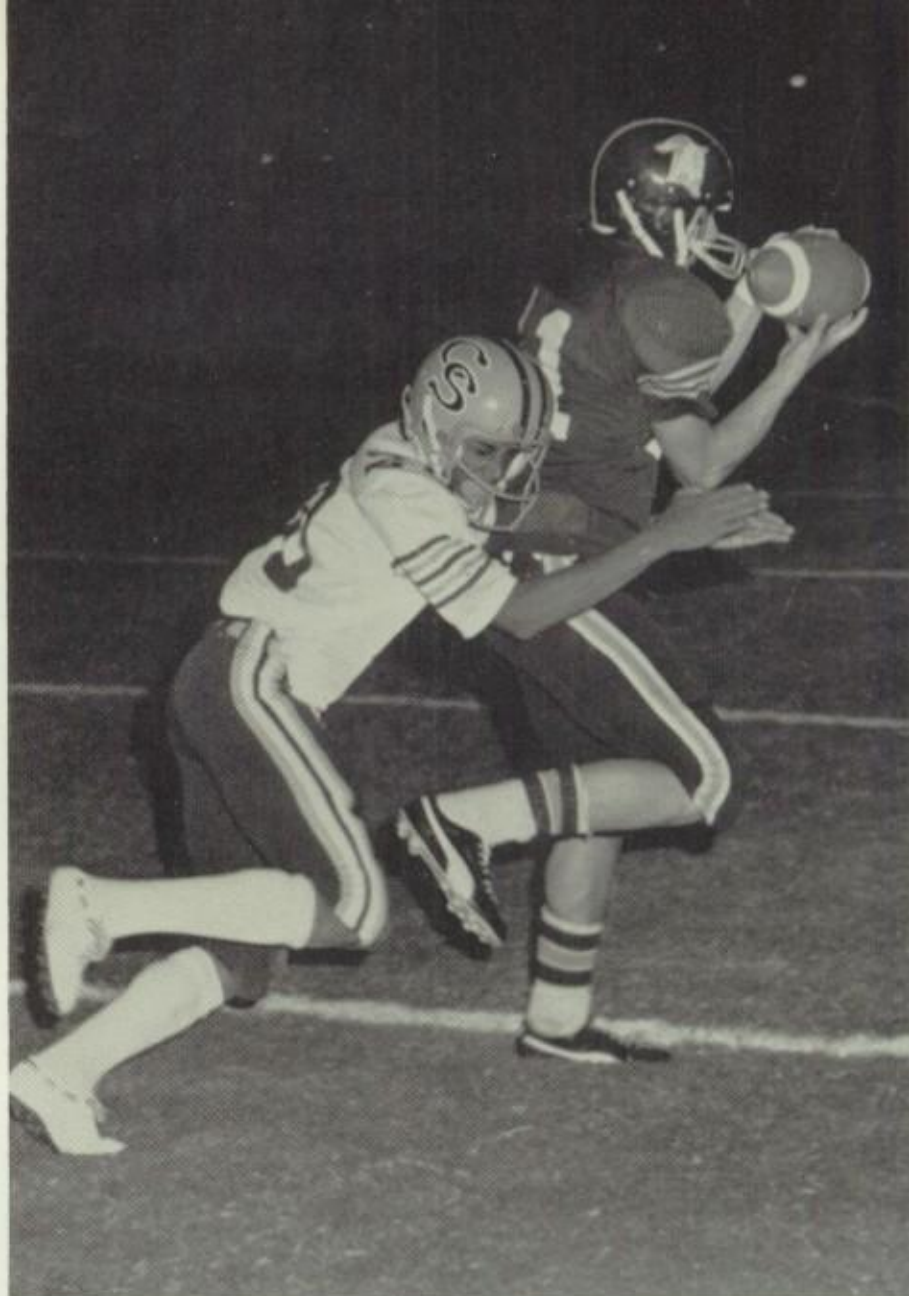

Gators Rip Vikes

The Vikings last hopes for the playoffs fell to the wayside as Captain Shreve capitalized on 6 interceptions and walked away with a 24-7 victory at Shreve Stadium.

Shreve drove all the way to the one yard line on their first possession and appeared to be threatening to score when Karl Thompson recovered a Gator fumble and the Vikes took over at the one. Airline punted away the ball, then Buddy Taylor intercepted a Shreve pass to set up the Vikes' only touchdown. It came on a 59 yard bomb from quarterback Richard Cox to Jerry Greer, who had sprinted clear of the Shreve secondary and caught the ball over his shoulder on a dead run. Ricky Ray's PAT gave the Vikings a 7-0 lead with 1:11 left in the first period.

The Vikes had another chance to get back in the game late in the second period after another fumble recovery at the Shreve 41 yard line. They moved to the Gator 10 in five plays but 2 penalties finally made the Vikes turn the ball over on downs back at the 31. This proved to be their last serious scoring threat.

The Vikings were now 4 and 5 overall, and 3 and 2 in district play.

TOP RIGHT: Joey Telano was brought down by a Captain Shreve defender after a long pass gain. BOTTOM: Monroe Bell skirted around the Gator defense.

Giants Shock Vikes

The Vikings were victims of costly mistakes and a tough Green Oaks defense which caused them to lose the final game of the 1975 season 12-9 at Captain Shreve Stadium.

The Giants scored first in the game on a short run with 2:41 left in the opening period, and then scored again on a long pass in the second stanza to take a 12-0 lead with 1:51 left in the first half.

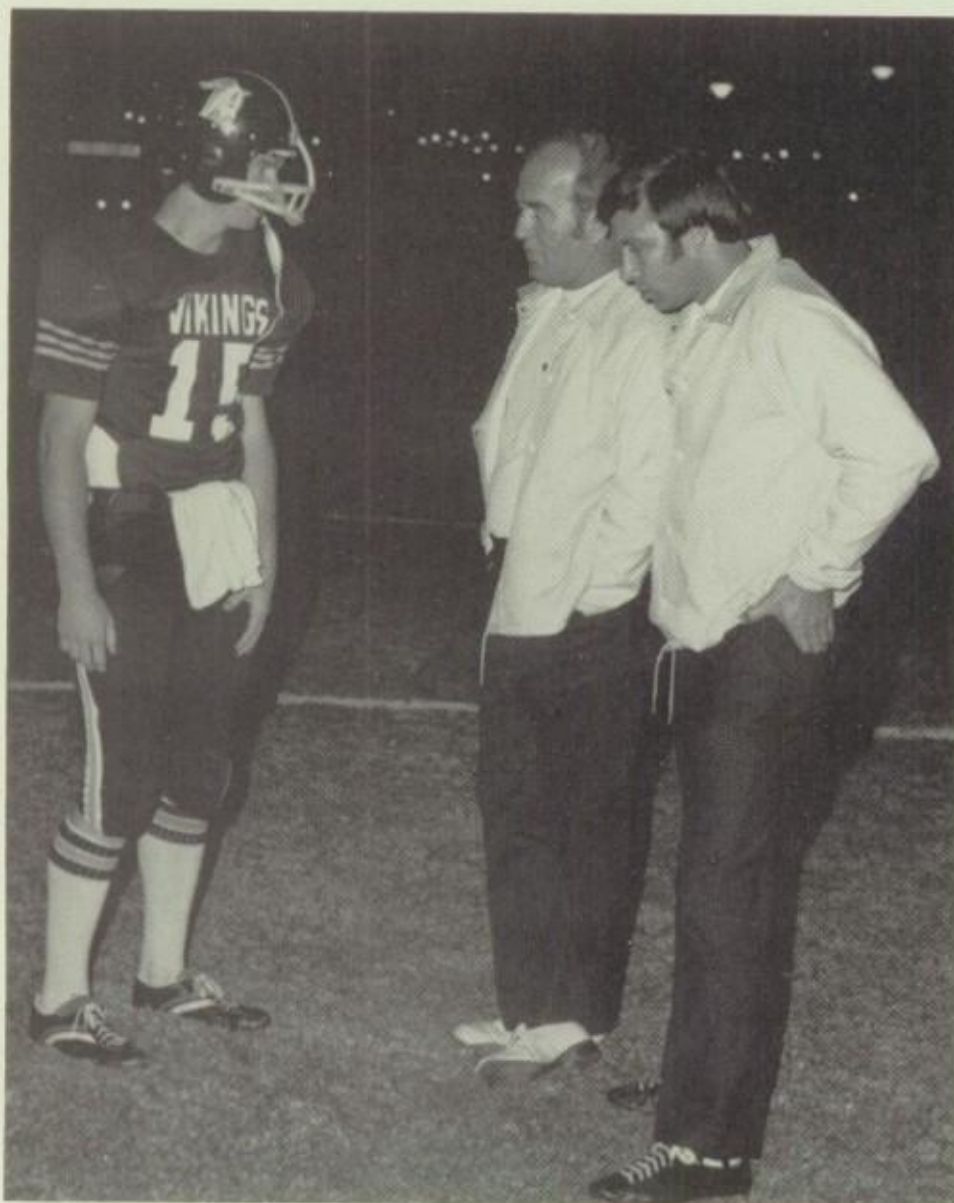

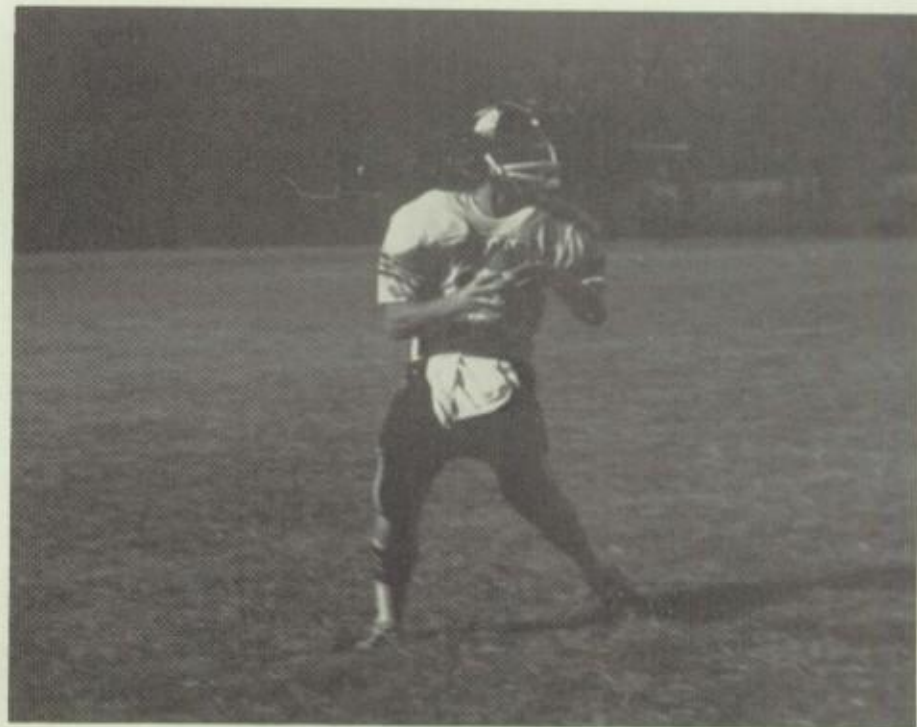

The Vikes took advantage of a short Giant punt and two penalties to mount a 46-yard scoring march late in the second period. Monroe Bell, who led all rushers with 106 yards on 23 carries, rambled 18 yards for the touchdown. Ricky Ray's PAT made the score 12-7 with 2:59 left in the half.

Airline could not put it over in the second half and the most serious scoring threat was killed when Green Oaks recovered a Viking fumble on the one yard line early in the final period.

The Vikings got a safety later in the game, but couldn't come up with any more momentum. Airline finished the season with a 4-6 record and a 3-3 mark in district 2-AAAA.

AIRLINE CHAMPIONSHIP BASKETBALL CODE

If you think you are beaten, you are,
If you think you dare not, you don't.
If you like to win but think you can't
It's almost certain you won't —

Life's battles don't always go
to the stronger or faster man
But sooner or later the man who wins
Is the man who thinks he can.

Airline Wins

This theme, initiated in Basketball at Airline in 1974-75, became an absolute way of life during the 1975-76 season. The Vikings completed the regular season with an overall record of 32-2 and a perfect district record of 12-0. The Vikings were the District Champions for the second consecutive year and advanced into the state playoffs for the second consecutive year.

This Airline team was composed of a group of players who not only won the hearts of the Vikings fans, but also who won the hearts of many other basketball fans throughout the area and state. Showing a fantastic ability to win the close games, Airline consistently rallied, when behind, to add victory after victory.

Highlights of the season were the trip to Houston, Texas, for the Houston Jaycees' Basketball Tournament, victories over Bossier and Parkway, establishment of the best winning percentage in Airline History, an undefeated district record, being season long leader in the SHREVEPORT TIMES Top Ten Poll, and entry into the State Playoffs.

Soon after the basketball season was underway, Airline fans came to accept the real meaning and spirit of "Airline Wins," just as team members had already done. To those who knew the Viking Basketball Team best, this meaning and spirit was the secret of their success.

Baseball

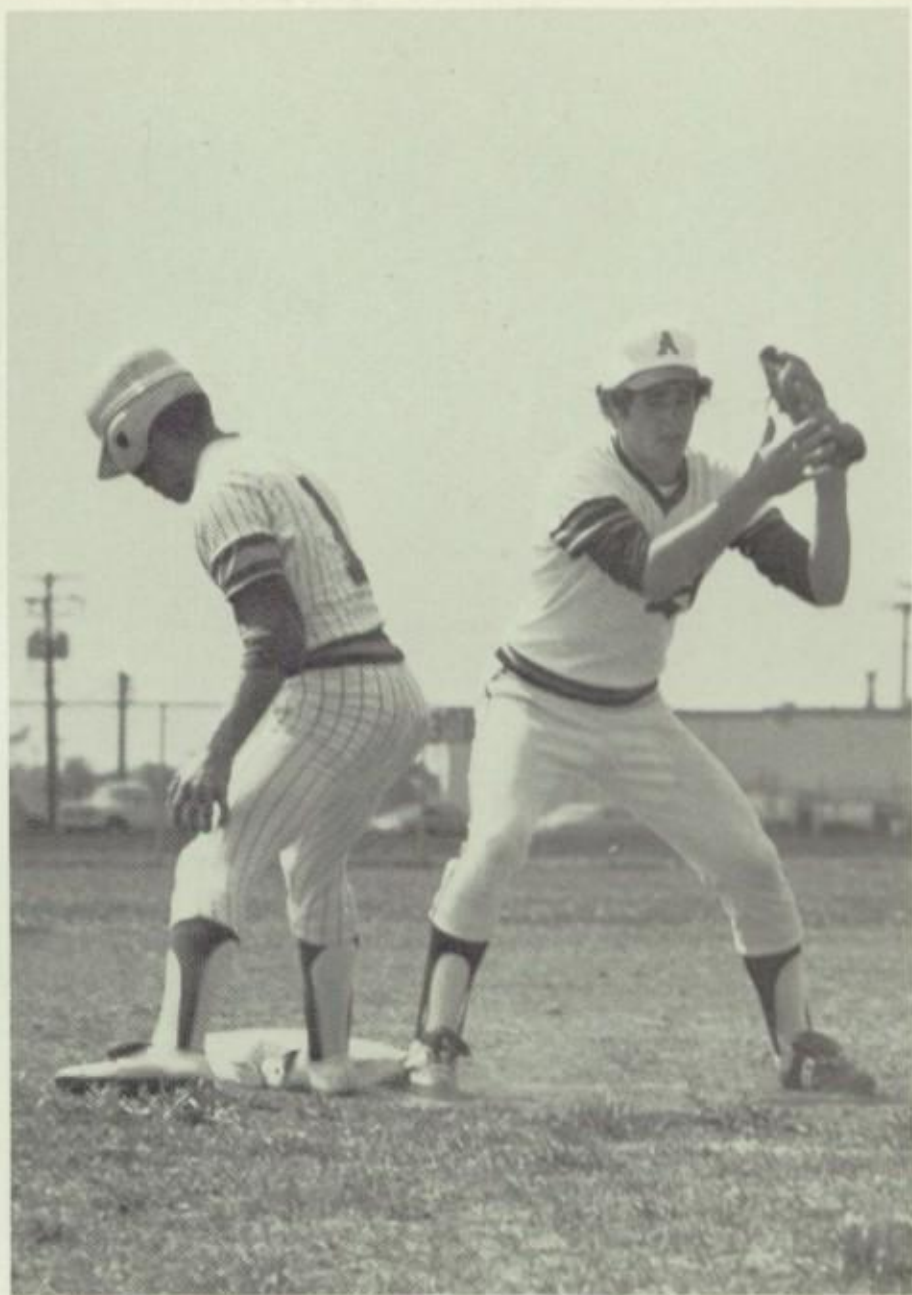

For the first time ever a Viking Baseball Team coached by Billy Maples did not finish first or second in the district race.

As always, the season began in December long before the first game in March. Hard work and dedication was the basis for again molding the team into a district contender. From the beginning of the season, the Viking baseball team was in the thick of the district race battling for a playoff position with two other district opponents, Captain Shreve and Bossier. When district play came to a halt in late April, the 2 AAAA standings indicated the Vikings and Captain Shreve were tied for second place. A playoff game was necessary, and for the first time in three seasons the Vikes were eliminated from the state playoffs when they dropped a 4-0 decision to the Shreve-men.

The 1975 team was led by Seniors Mark White, David Dunlop, Gil Smith, John Finck, Dean Barnette, Mark Manuel, Juniors Randy Ball, Joey Baranik, Tom Bass, Leslie Sanford, and Sophomore Jerry Greer. Junior Joey Baranik led all hitters with a .340 average. Mark White was the RBI leader with 19. The pitching staff was led by Seniors Dean Barnette and John Finck.
